

## New Blood

Music: C.Felauer/S.Heinen/S.Meisen

Lyrics:Meisen

New blood rushes through my veins  
I can't take no more frustration  
Restart after dialysis  
Sweep out this goddamn hellish crisis

New Blood

New Blood

New Blood

Today is the fucking day  
Swallowed shit till I could breath no more  
New hate chaos catharsis  
Black hearted burning gasoline

New Blood

New Blood

New Blood

Dark days added to my blacklist  
Tested my horror haunted mind  
New live increasing DNA  
Resurrected – Back from the dead yeah!

Spread the new Blood

New Blood

New Blood

New Blood

New flesh crawls upon my spine  
No pain - nothing more to gain?  
Undead! Past life crematory  
Selfdestructive soul predatory

New blood

New blood

New blood

My inner bomb's exploding
